Joker Script

Hobby Game Stranger

"Ah, no no no no no, I kill the bus driver. (Moves to the right)
*I believe whatever doesn't kill you simply makes you... stranger. (Smiles)

"Kill the Batman"

"Ha ha, and!
"Cough" my jokes are bad!"

"How 'bout a magic trick? Hmhm in a second I'm going to make this pencil disappear!
(Clicks the pencil) 'C. Ha... it's gone! Oh and by the way the suit wasn't cheap you
ought to know you bought it."

"Let's wind the clock back a year. These cops and lawyers wouldn't dare cross any
of you. I mean what happened? Dad... did your balls drop off, mom? You... you see a
guy like me."

"A guy like me, look, listen, I know why you choose to have your... little (Cough)
group therapy sessions in broad daylight. I know why you're afraid to go out at
night. The Batman. See Batman has shown Gotham your true colors unfortunately.
Dad he's just the beginning. And... and as for the... ah televisions so called plan.
Batman has no jurisdiction, he'll find them and make them squeal. I know the
speakers when I see them and... (Points)

"It's simple we'll kill the Batman."

"If you're good at something never do it for free."

"Uh... ha!"

"It's not for me, it's for you. If we don't deal with this now soon... little, ah, Gambol here
won't be able to get a... a nickel for his grandma."

"Oh, ha ha ha, let's not slow... this out of proportion."

"Yeah."

"Alright so listen why don't you give me a call when you want to start taking things
a little more seriously. Here's... my... card. (Walks out)

"Why So Serious?"

"How 'bout alive? Hmhm? I wanna know how you got these scars? My father was a
doctor and a friend. And one day he got a piece of crap on the wall. 'Morning gets the
Batman into it behind her veil. He doesn't see that... one... ah... see me smiling
he takes the knife to her laughing while he does it. He turns to me, ah, and he says,
'Why so serious?' He comes at me with the knife, 'Why so serious?' He sticks the
blade in my mouth, 'Let's put a smile on that face!' And... 'Why so serious?'
One... our operation is small but there is a lot of potential for aggressive expansion.
So which of you fine gentlemen would like to join our team? Oh there's only one
spot open right now so we're gonna have to call. Make it fast."

"Men of their Word"

"Tell them your name?"

"Are you the real Batman?"
